**2023 – Executive Board Meeting MINUTES**

**DATE:** November 15, 2023

**LOCATION:** Zoom

Dr. Martin called a special executive board meeting to discuss the 2024 symposium and our options for hiring someone through the vendor process. Due to the time constraints for this upcoming year and the length of time it takes for the bidding process, the executive board voted to proceed for 2024 with NCADD with Marc Fomby as Conference Coordinator. Dr. Martin will schedule a meeting with NCADD to discuss all of the issues brought up from last conference as well as getting the contract process in motion to attempt to have finalized before Ms. Holmes retires.
